This summer Timrek-Dell will also become a girls' camp, new venture for the Paulettes and their niece, Miss Janice Ranson, a Westhampton College graduate, who will be directing four two-week camping sessions in the first girls' camp to be established in Appomattox County.**

## Timrek-Dell Girl's Camp To Open Here

Sunday, June 21, will mark the beginning of a new camp for girls in Appomattox County. The K. C. Paulettes, of Route, 2, Appomattox, have set up a tented area on their farm, Timrek-Dell and are planning four two-week sessions for girls ages 7 through 12.

Camp director will be the Paulette's neice, Miss Janice Ranson, graduate of Virginia Intermont and Westhampton College. She will have a number of college students on the staff as counselors.

Opening session is Sunday, June 21, with the first camp running through Sat., July 4.

Subsequent camping sessions are July 5-18; July 19-Aug. 1; and August 2-15. Sunday, 1 to 5 p.m., are visiting days.

K. C. Paulette, who raises and trains registered Tennessee Walking Horses, also has two registered Shetland ponies, a goat, and a German Shepherd dog for the young campers to enjoy.

Included in what the director describes as a "creative new program especially planned for the individual camper", are several excursions into things of interest in Appomattox County— a ride on Richard and Donald Hamilton's miniature Virginia Central Railway at Evergreen plus a tour of Appomattox National Historical Park and trip to Holliday Lake.

There is still room for campers, say the Paulettes, and they are encouraging local campers to make new friends at Timrek-Dell.

SMITH — In memory of C. Jack Smith who departed this life two years ago today, June 4.
What would I give to see you smile,
And sit and talk with you awhile
The blow was sudden, the shock severe
To part with one whom we loved so dear.
I often sit and think of you,
Of the things you used to say and do,
I wonder why you had to die,
Without a chance to say goodbye
Friends may think we'll soon forget,
But our wounded hearts are healed.
But they little know the sorrow
That's within our hearts concealed.
Sadly missed by Edna, Burnette, Margaret, and Robin. 6-4-1p

Here you are on the brink of vacation time. There's your Chevrolet dealer in the midst of Trade 'N' Travel Time. You two should get together! Object—celebrating the joys of summer in a new Chevrolet.

Why a Chevrolet? Well, with 15 models in four series, what possible reason is there to look further?

Take the Impala Super Sport (and a lot of people do just that). Comes as a Sport Coupe or Convertible. Has trimmings like front bucket seats, center console, special trim—all as standard equipment. And offers a typically Chevrolet array of extra-cost options.

Plain Impalas are anything but. They come in all popular body styles, including wagons. They're dressed up to a fare-thee-well: fully carpeted interiors, upholstery as durable as it is attractive.

Bel Airs and Biscaynes, the lower priced Chevrolets, make a practice of hiding it. All the conveniences, no sacrificing comfort or style.

Did we mention that Trade 'N' Travel Time won't last forever? It won't. So see your Chevrolet dealer. Then go fill in the spaces.
